

CUSTOMER TESTIMONIAL

The Company:

Avante Security has been managing risk and providing security solutions for high net-worth homes, high profile individuals, and elite businesses for over 20 years. We are experts in the security industry and offer unique solutions that cater to the needs of our clients.

“

"I just wanted to take a moment to bring to your attention how great Stacey is and has been for us, specifically as of late when we transitioned to the new Dynamics UI. She has gone out of her way to attend to us, check-in with us, and has worked late and gotten up early to ensure we're experiencing as few hiccups as possible. Truly grateful we have her working with us.

”
